## Latest news from Advance Family Dental

### Message from Dr. Zollinger:

There are truly a countless number of charities out there doing wonderful work for the greater good. One that has touched my family is Healing Haiti. My daughter, Karen Moen, has had the opportunity to become involved with this locally-founded charity. Each week volunteers from within our community are traveling to Haiti to do some really tremendous work. Karen has been on several mission trips to Haiti and I am excited to be accompanying her on her next trip right after Thanksgiving.

My mission trip will include doing research for setting up facilities for future dental care. Along with all the other needs in Haiti, dental care is often neglected and I hope to share my expertise in building safe and healthy dental facilities.

### Interested in donating?

If you're interested in supporting the people of Haiti, I will be bringing donated supplies for the orphanages. You can contribute by dropping off items at the AFD office by November 23<sup>rd</sup>.

Requested items include:

- children's vitamins - chewable (not gummies)
- antibiotic ointment, band aids
- hand wipes, hand sanitizers
- baby supplies and
- feminine hygiene products

We will have a collection box at the hospitality counter. Thank you for your support! I look forward to sharing my stories and adventures with you upon my return.

*My daughter, Karen Moen at a previous mission trip in Haiti.*

*For more information on Healing Haiti or to make a monetary donation, visit [www.healinghaiti.org](http://www.healinghaiti.org).*

### Make your next appointment in 2011

Dental insurance can be tricky to understand, which is why we're here to help you. Please call us if you have any questions about your dental benefits. A frequent oversight is forgetting to use your dental benefits in the calendar year. In most cases, these benefits do not rollover for use in the following year. Don't postpone your dental visit until 2012, you might have unused benefits for 2011. Call to make your next appointment or ask a specialist about your benefits.

### Did you know?

Dental insurance doesn't rollover benefits. Thousands of dollars go unspent each year. Don't waste your dental benefits.

Use it, don't lose it! Make your dental appointment in 2011.
